This event is being held in compliance with all provincial health and safety orders as well as facility requirements for Covid-19.

Our goal is to allow our dancers to compete in a safe, calm, inclusive and positive environment. We appreciate unexpected situations will arise on the day that may require action that is meant to protect our dancers, judges, volunteers and other participants.

On the day of the competition, if you or any household family member has symptoms, has been diagnosed as having Covid-19, has been required to quarantine or self-isolate within the previous 14 days– **please stay at home**. Please do not attend if you are feeling unwell, experiencing COVID-like symptoms, or if you have been asked by Public Health to self-isolate.

You may contact the Competition Registrar by email to advise of your situation:

Please be respectful of all requests or you will be escorted from the facility.

### **Rules for attending MHDA Competitions:**

- On the competition day, entry into the competition venue will be allowed **only** after MHDA's designated COVID declaration form (whether electronic or paper) has been completed and proof of identity together with vaccination status have been provided to the satisfaction of the entry screeners. Please bring your own pen.
- All spectators and volunteers over 11 years of age and all competitors 18 and older must be doubly vaccinated.
- Masks are required to be worn at all times by ALL in attendance. The only exception is for competitors while on stage competing. A bag will be provided to each competitor in which they can place their mask while on stage.
- Only those over the age of 11 that are doubly vaccinated, including competitors, will be permitted access to the seating in the auditorium.
- On the day of the competition, if you are feeling unwell, experiencing Covid-like symptoms, or if you have been asked by Public Health to self-isolate, please stay home.
- If you test positive for Covid within 14 days of the event, you must immediately contact the competition registrar at [registration@mbhighlanddance.com](mailto:registration@mbhighlanddance.com)
- Physical distancing is strongly encouraged at all times while within the facility.
- Only one spectator is allowed in the facility with each dancer as crowd size capacity limits are in effect.
- All competitors and their spectators are required to exit the facility once their competition events are completed. An exception is where a person may be volunteering, and even then, they must exit once their duties have been completed. If a family has a dancer in the morning and a dancer in the afternoon, please make

arrangements to have the morning dancer picked up at the end of the morning and the afternoon dancer dropped off for the afternoon.

- There will be no costume changes and no space provided for costume changes at this time. Dancers are to arrive in costume prepared to dance, hair done and make-up applied. Please bring your own safety pins to affix number to dance costume.
- Limited personal items will be allowed within the facility when crowd size capacity restrictions are in place. This will include dance mats. Once the number of dancers has been determined, rules on the number of dance mats, if any, permitted will be sent out. Please leave unnecessary items in your car.
- As crowd size capacity restrictions are in place, dancers will be called to the marshalling (line-up) area in small groups almost immediately prior to competing. Dancers who do not arrive when called may forfeit their opportunity to compete for that event.
- Awards will be *announced* at the end of the dancing (dancers will be on stage but socially distanced) but they will *collect* their awards as they exit the facility at the end of their competition time.
- Washroom facilities will have limited occupancy depending on number of cubicles while maintaining physical distancing requirements. Please limit use as much as is possible.
- These rules may change up to, and including on or during the date of competition, dependent upon public health concerns.
- This event may be cancelled at any time up to, and including on or during the date of competition, dependent upon public health concerns.
- Dancers and parents must respect the ScotDance Canada Risk Management Guidelines, local health authority directives, and RSOBHD Code of Ethics.
